Weston County	Budget Prepared by: Bobbie Jo Tysdal						

**S-A BUDGET MESSAGE** W.S. 16-4-104(d)

Due to decreased funding the past several years, and no indication of vast improvement in future fiscal years, the Weston County Museum District focused on conservative spending in an effort to conserve cash to supplement future budgets. The District maintained the reduced spending levels from the previous fiscal year while ensuring the well-being of the District and its assets. The savings from this conservative approach are represented in the Emergency Relief line item where they will be readily available if unforeseen emergencies should occur or be available as cash carry-over to supplement next year's budget. Additionally, the District was able to maintain the Cash Reserve fund this fiscal year which allows us to operate during revenue gaps. District staff will continue to operate both museums to preserve the history of Weston County and our surrounding area and also to provide educational opportunities to the citizens and visitors of Weston County. The Weston County Museum District formally requests one full mill funding, as even if it exceeds budgeted figures, any additional amounts will be carried forward and allocated to future expenditures; therefore, allowing the District to offer its constituents a high level of service and quality museums while remaining fiscally conservative.

**S-B RESERVE DESCRIPTION**

The Weston County Museum District has a \$20,000.00 Cash Reserve which allows the District to operate during revenue gaps.
