Cheryl here is a draft of the audit. I didn't know if you wanted to print off copies or what

Looks like we have to get her info on some things that she has highlighted I see that one of the areas is the road fund I can probably look into that one

We will figure it out together.

Thanks Susie

Hi, Susie,
Here is the draft of the financial statements. I will need information from you for the highlighted items in the md&a as well as minutes from December forward. Also, will need to have copies of any contracts you have entered into since June, 30.

That should be it.
Kind Regards,
Vikki
