Subject: Court Security Funding

Please see the below message from Director Cameron.

Dear Judges, Court Security Commission, and Local Court Security Chairpersons:

Re: Court Security Funding for Eight (8) Wyoming Counties

We are pleased to let you know that the Sixty-Third Wyoming Legislature has appropriated \$1,083,422.00 “to provide funding for court security improvements including the purchase of security equipment within courthouses or construction or modification of facilities containing a state court.”

The Budget bill provides that applications shall be submitted to the state loan and investment board which shall distribute the amounts to these counties below in the following amounts:

(i) \$84,429.00 to Platte County, with matching funds provided by the county from any source in the amount \$9,381.00;

(ii) \$84,686.00 to Goshen County, with matching funds provided by the county from any source in the amount of \$9,409.00;

(iii) \$73,778.00 to Niobrara County, with matching funds provided by the county from any source in the amount of \$8,197.00;

(iv) \$95,355.00 to Albany County, with matching funds provided by the county from any source in the amount of \$10,595.00;

(v) \$371,790.00 to Big Horn County, with matching funds provided by the county from any source in the amount of \$41,310.00;

(vi) \$82,778.00, to Crook County, with matching funds provided by the county from any source in the amount of \$9,197.00;

(vii) \$82,760.00 to Park County, with matching funds provided by the county from any source in the amount of \$82,760.00; and

(viii) \$207,846.00 to Weston County, with matching funds provided by the county from any source in the amount of \$23,094.00.

Thanks to all of you for your hard work and dedication to making courts secure. The Legislature clearly perceived the security needs of the counties. We look forward to working with you over the coming year to implement the bill and improve security at your courthouses. I have been in contact with the State Loan and Investment Board Chairperson, Bridgett Hill, and she is going to get back to me to confirm whether or not there are special requirements to be included with the applications to SLIB.

Thank you,

Guy Cameron
