Subject: numbers

Cheryl,

Here are the numbers that the auditor didn't have for the meeting. Just ask and I will get what we have for the Central Weston County Solid Waste Disposal District.

Closure according to the DEQ will be approximately \$750,000.00

Monitoring done by Tri-hydro from Laramie is approximately \$54,950.71 per year (\$4579.23 a month)

Bank Balance as of February 28, 2015 is \$76,851.53

Thanks
