Marty,

I did see that in the paper, but haven't been notified by the city. I have doctor appts that day, so won't be able to make it.

Subject: Landfill tour

According the current issue of the Newsletter Journal (March 26, 2015), the Mayor of Newcastle 'has invited county leaders and others interested in learning about the city's present operation to attend an informal tour of the landfill this Friday afternoon." According to the paper, there will be a tour starting at 3:30 pm though 5 pm on March 27.

Perhaps you all have received an invitation but I have not at this time. Just in case you might fall into the same category as me, I thought I would pass this info along.
