Subject: Rare Element Resources reports unanimous support from Wyoming Legislature and Executive Branch

I am very pleased to pass along the attached press release from yesterday regarding the support resolution passed unanimously by the Wyoming Legislature and signed by Governor Matt Mead. A second statement of support for the Bear Lodge Project was received from Shawn Reese, Chief Executive Officer of the Wyoming Business Council.

For more information on this, please go to our website at:
<http://www.rareelementresources.com/bear-lodge-project/community/governmental-support#.VPWopu90xes> - the resolution and the letter are both posted there.

Very Best Regards,

Linda
