Weston County Solid Waste District
Attn: Bill Lambert, Weston County Commissioner
1 West Main Street
Newcastle, WY 82701

Dear Bill Lambert,

The Wyoming Department of Revenue (DOR) received a letter stating the county's intent to dissolve the Central Weston County Solid Waste District and form a county-wide solid waste district.

The first step is sending in the required paperwork dissolving the Central Weston County Solid Waste District. Once the dissolution is approved, the DOR will send a letter with the decision to the Central Weston County Solid Waste District, county assessor, county clerk and county commissioners.

The next step is to send in a petition for formation for the new proposed Weston County Solid Waste Disposal District. After receiving an approval letter from the DOR approving the petition for formation, the final step is sending the signed resolution by county commissioners along with a map and/or legal following the enclosed Chapter 21 Rules & Regulations. The DOR will map, and after reviewing and approving the resolution, will send a letter with decision to all concerned parties.

If you have any additional questions or concerns, please feel free to contact me at (307) 777-5325 or email me at chad.mickelson@wyo.gov.

Sincerely,

Chad Mickelson
Sr. Project Analyst
