# COUNTY OF WESTON

1 WEST MAIN STREET  
NEWCASTLE, WYOMING 82701  
RESOLUTION #08-03  
EMERGENCY DECLARATION

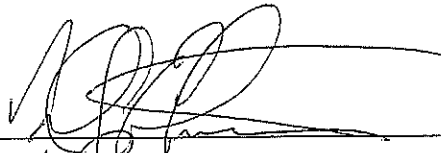

Whereas the County of Weston is experiencing flood conditions in the southern part of the county along the Cheyenne River and its tributaries, and residents are at risk from being cut off from emergency services, the county requests assistance from the Wyoming National Guard upon authorization by the Governor of the State of Wyoming.

Whereas, the loss of a critical crossing site over a tributary of the Cheyenne River has denied residents in the south central part of the county reasonable access to emergency and other essential services.

Whereas, the ability of the county to quickly establish a temporary crossing site and repair the damaged crossing has been hindered by continued flooding and a lack of temporary bridging assets.

NOW, THEREFORE BE IT RESOLVED that Weston County, Wyoming be declared to be in an emergency situation.

Dated this 5<sup>th</sup> June 2008.

Chairman, Weston County Commissioners
