

85-1

RESOLUTION ESTABLISHING  
WEIGHT LIMITS ON COUNTY BRIDGES

WHEREAS the Wyoming Highway Department has inspected the Bridges on Weston County roads and has recommended weight limits for each bridge.

WHEREAS the Weston County Road and Bridge Department has posted weight limits on every bridge on Weston County roads as recommended by the Wyoming Highway Department.

WHEREAS the public safety requires that the weight limits be officially established in order to prosecute and enforce the weight limits.

BE IT THEREFORE RESOLVED that the weight limits as recommended by Wyoming Highway Department and posted by weight limits signs on Weston County Bridges or Weston County roads are approved and officially established and vehicles crossing the bridges shall not exceed the posted weight limits.

DATED this 6<sup>th</sup> day of February, 1985.
