86-4

WHEREAS the Board of Commissioners of Weston County, Wyoming, has considered the rate increase granted to Black Hills Power and Light Company In the Matter of the Application of Black Hills Power and Light Company For Authority to Adjust Its Commodity Balancing Account and Increase Rates, Docket No. 9339 Sub. 40, by the Public Service Commission of Wyoming; and

WHEREAS the Board of Commissioners of Weston County feels that said increase is inappropriate in view of the severe downturn in Weston County's economy due to the slowdown in the energy business; with many residents being unemployed or underemployed.

NOW THEREFORE, BE IT RESOLVED that the Board of Commissioners of Weston County, Wyoming, on behalf of the residents of Weston County hereby formally protests and objects to the rate increase granted to Black Hills Power and Light Company as above-mentioned, and requests the Public Service Commission of Wyoming to reconsider its decision in this matter.

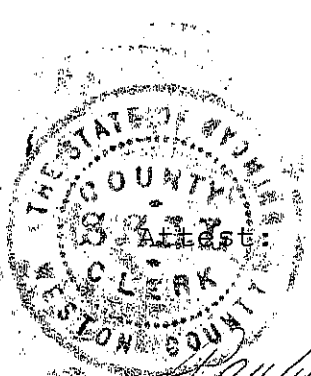

PASSED this 19th day of June, 1986.
