## Reapportionment Resolution

WHEREAS, the 1992 Session of the Wyoming Legislature is charged with reapportioning the State of Wyoming, and

WHEREAS, Crook, Weston, and Niobrara Counties have been combined into one senatorial district and two single member representative districts under the plan selected by the Legislature's Joint Corporations, Elections, and Political Subdivisions committee, and

WHEREAS, the Weston County Commissioners believe the county would be better served as one multi-member representative district.

NOW, THEREFORE, the Weston County Commissioners go on record as opposed to the plan as submitted to the Legislative body by the Committee and request an amendment be submitted to eliminate subdistricting in the House and designate Weston, Crook, and Niobrara Counties as a multi-member House District.
