

RESOLUTION

WHEREAS, the Weston County Commissioners request funding through the Industrial Road Funds account program to assist in the project known as Skull Creek Road of Weston County: and

WHEREAS, the Industrial Road Funds account requires that certain criteria be met as described in the procedures for initiating a project with these funds: and

WHEREAS, the Weston County Commissioners plan to match the projects cost with matching funds through a grant proposal submitted to the Wyoming State Land and Farm Loan Board on April 1, 1997.

THEREFORE, be it resolved that the County of Weston file this request for funding in the dollar amount of \$ 200,000.00 through the Industrial Road Funds account.

Signature approval this date in the County of Weston this 15th day of July, 1997.
