Commissioner Ertman asked if this amount for the easement agreement was included in the budget amendment that was just done and Clerk Hadlock advised that it was not. Chairman Wagoner asked if Attorney Berger had reviewed the agreement and Engineer Hunt stated that he had not but he will send it to Clerk Hadlock so that she can get it to Attorney Berger for review.

SARS-Cov-2 RESOLUTION – VARIANCE

Commissioner Ertman stated that the discussion at the previous meeting was to apply for a variance asking for relief from the restrictions set by the State. Commissioner Hunt recalled three different things that would be done, rescinding of the Chairman's signature on the Public Health order, consideration of the Goshen County Resolution and asking for a variance. Commissioner Hunt added that obviously we rescinded the Chairman's signature at the last meeting and he prepared the resolution adopting the Goshen County Resolution. Attorney Berger asked if he was to prepare a variance. The Board stated that they wanted him to.
