

- i. Melissa has attended a Google conference for the NextGen 911 and WYDOT wants to link all of the communications Centers together for layered mapping GIS components and video. Maybe some federal grants available for departments to be interoperable.
- ii. Radios had gone down again, and Leanne could not get it going again and had to call Dick Klinker in to try and fix. Dick thinks the Atomic clock settings that sets the time for the radios and the server. Once this has been updated this has been working good so far.
- iii. We should look at a third-party communications company to get an assessment of the system. It is old enough that Dick had to go to California to learn how to install and run the programs.

- 2. Weston County Community Needs Assessment Report
  - a. Will table until the next meeting.

- 3. Wyoming Refining Company 24 hour rolling SO2 exceedance Incident Report 11/25/2020.
  - a. Public Health wanted to know if they could be notified when these events occur. Steveson would check with Wyoming Refining on what they have for a calling tree as they have to follow a contact list.

TRAINING:

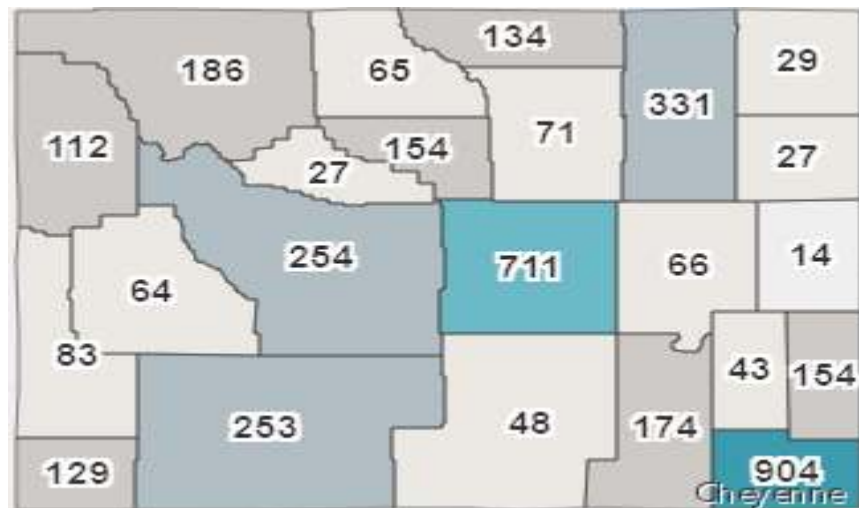

- 1. Gilbert update sent.

Next LEPC Meeting Scheduled for January 27, 2020 (Lori Bickford’s Birthday)

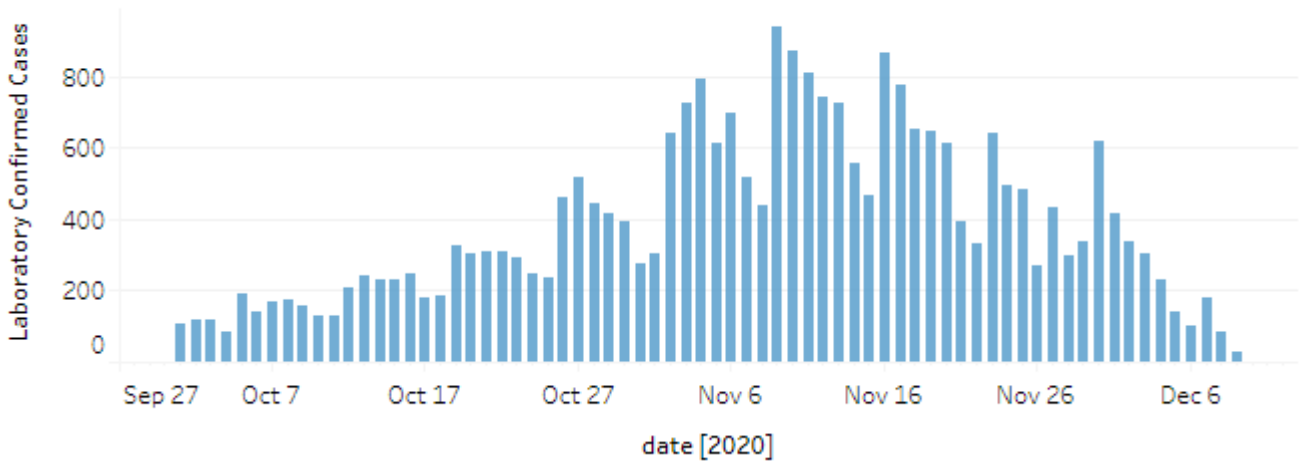

Roger Hespe motioned to adjourn and seconded by Austin Baker.

ADJOURNMENT: 1954
