Code Red will be around for the next year as a backup until we get up and running and comfortable with the new program. Dispatch will not have to send out weather alerts anymore, this will automatically do that for them.
- 2. Planning for the full-scale active shooter drill June 25th. So far, we have NPD, WCSO, EMS, WCHS, WCSD#1, SAR, NVFD all participating but looking at getting life flight and Upton agencies as well as WHP. Chief Keller, Sheriff Colvard and Gilbert will be sitting down to hammer out the scenario more. Next meeting is April 8th at 2 pm. Melissa and Gilbert will be getting together to go over what she wants Dispatch to test as what the drill consists for them as well.
- 3. Working on getting some tactical medical training scheduled with SAR and Fire as well as Law Enforcement.
