Weston County Natural Resource Management Plan Public Meetings

The Draft Weston County Natural Resource Management Plan (NRMP) will be released for public comment on Friday, March 4, 2022. The document is located on the Weston County website at <https://www.westongov.com/> for review and download. The County is developing this Plan as a tool which allows a local government to have a substantive impact on federal decisions, plans, policies, and programs. Federal agencies' consideration of a local natural resource management plan ("resource plan") can play a key role in the success of a local government engaging as a cooperative agency.

The public comment period is open for 30-days from Friday, March 4th through Monday April 4th. Written comments are requested to ensure a full understanding of your thoughts and will be fully considered before finalizing the NRMP. Comments can be submitted via email to WestonCoNRMP@y2consultants.com or submitted to the Weston County Clerk's Office at clerk@westongov.com. If you have any questions regarding the document or the public meeting, please feel free to contact Dru Palmer at dru@wyoming.com or 307-388-2709.

To acquire community input and provide information about the purpose and intent of this NRMP, a public meeting will be held in Weston County. The date, time, and location for that meeting is provided below. Virtual options via Zoom will also be available for this meeting, registration for Zoom for the meeting is also provided below.

Newcastle

Tuesday March 15, 2022
5:00pm (presentation begins at 5:30 pm)
Event Center Building
Weston County Fairgrounds
24 Fairgrounds Rd.
