On County Road # _____

Known as the _____ County Road

THIS AGREEMENT made and entered into for and in consideration of One Dollar (\$1.00) and such other consideration expressed hereafter by and between _____

Hereinafter called the Applicant, whose mailing address is: _____

_____ and
The Board of County Commissioners of Weston County, Wyoming, hereinafter referred to as the Board, whose mailing address is 1 W. Main St., Newcastle, WY 82701, for the installation of a cattle guard on County Road # _____ in Weston County, Wyoming, on the following described property, to wit:

Township _____ Range _____, of the 6th P.M.

Weston County, Wyoming

Section _____:

(Describe to the nearest quarter quarter)

At mileage marker _____

(As determined by the Road & Bridge Department)

The Applicant and the County agree as follows:

1. The Applicant shall pay the Weston County Road & Bridge Department in advance for the cattle guard at the following rates:
 - €\$5,500.00 for a sixteen foot (16') cattle guard and box
 - €\$7,000.00 for a twenty foot (20') cattle guard and box
 - €\$8,500.00 for a twenty-four foot (24') cattle guard and box
2. This base price is figured to have the cattle guard dug in for installation with one load of gravel on each side.
3. The cattle guard that is to be installed must be provided by the Road & Bridge Department.
4. The Applicant shall pay Weston County Road & Bridge for any unforeseen material or labor (outside of a typical installation) using the following rates:
 - * Backhoe \$50.00/hr.
 - * Dump truck \$75.00/hr.
 - * Loader \$55.00/hr.
 - * Fill dirt \$3.00 per yard
 - * Employee labor rate of \$20.00/hr.
5. The Board agrees to install said cattle guard and shall provide labor, including the rates in No. 1 above, and the equipment to install the cattle guard at Board's discretion.
6. The length of the cattle guard will not be less than sixteen feet (16') nor more than twenty-four feet (24') as determined by the Board.
7. The Road & Bridge Department will set one post on each side of the cattle guard box with a reflector on each side of the post. The landowner is responsible for any and all fencing beyond that.
