Weston County	Budget Prepared by: Daniel Tysdal

S-A	BUDGET MESSAGE	W.S. 16-12-403 (c)
While the total county valuation for this fiscal year is nearly identical to last fiscal year's valuation, the Fire District's valuation for Fiscal Year 2026-2027 decreased even further this year. Therefore, the financial policies of the Weston County Fire Protection District will remain quite conservative. These policies will continue to emphasize maintaining adequate reserves of cash for general operating between revenue gaps, maintaining reserves for catastrophic fire suppression and any other emergency that may arise, as well as maintaining a depreciation reserve for replacement of capital equipment. Due to a slightly lighter fire season last summer (2025), some expenses decreased including Operating Supplies and Repairs & Maintenance, allowing for the purchase of some new equipment as well as cash carry-over to augment this year's revenue. This fiscal year's efforts will continue to focus on maintaining current equipment, facilities and personnel to provide efficient and effective fire protection services during what is proving to be an extreme wildland fire season. Our cautious and realistic budgeting approach will provide funding where needed and allow any unused amounts to be available as cash carry-over to supplement future budgets. An area with significant revenue and expense is in Project Fire Costs. As wildland fire activity increases throughout the nation this summer, and in an attempt to generate revenue for the District, we expect to have firefighters dispatched to several out-of-county incidents. Both the anticipated revenue and expenditures, recorded in the R5.2 and E7.1, E15 and E12.3 categories, reflect those anticipated dispatches this season. Any associated expenses with these assignments are billed to the incident and our firefighters are paid with reimbursed funds. The Weston County Fire Protection District formally requests three full mills funding, as even if it exceeds budgeted figures, any additional amounts will be carried forward and allocated to future expenditures; thereby allowing the District to provide its constituents a high level of service and protection while remaining fiscally conservative. We would also like to acknowledge the invaluable service and commitment our volunteer firefighters provide to the District and to the citizens of Weston County.		

S-B	RESERVE DESCRIPTION	
The Weston County Fire Protection District has a \$100,000.00 Depreciation Reserve for the replacement of capital equipment, a \$225,000.00 Cash Operating Reserve for general operating between revenue gaps, a \$150,000.00 Fire Suppression Reserve for catastrophic fire suppression as well as a \$150,000.00 Emergency Reserve for any other emergency that may arise, for a total of \$625,000.00 in reserves.
