

Wyoming Secretary of State

Chuck Gray
Secretary of State

Colin Crossman
Deputy Secretary of State

Public Test of Voting Equipment Certification

Wyoming Secretary of State
Election Division

Election Year: 2026

Election Type: Primary

Per Election Procedures Rules, Chapter 29, Voting Systems, Section 7, "The County Clerk shall attest in writing to the Secretary of State, on a form prescribed by the Secretary of State's office, that the ballot on demand printers have been tested and are ready for the election and that their ballot marking and ballot tabulation devices have been publicly tested, have passed L&A testing, and are ready for the election." Therefore, the attestation below must be completed by the County Clerk and submitted to the Wyoming Secretary of State's Office following the testing of the county's voting equipment.

I, Amber Green, County Clerk of Weston County, Wyoming, hereby certify the ballot on demand printers have been tested and are ready for the election, and that the ballot marking and ballot tabulation devices have also been publicly tested and passed the logic and accuracy test and are ready for the election. Further, I have confirmed that each ballot tabulation device was set to zero and subsequently tested by using the following ballot types: ExpressVote, Ballot on Demand, and printed by Printer. Additionally, each ballot marking device has been tested for accuracy of marking ballots.

I further certify that after delivering written notice to the state chairman and all county chairmen/women associated with a recognized Wyoming political party, I inspected each ballot marking and ballot tabulation machine and immediately sealed each machine with a numbered security seal and locked the machine.

County Clerk or Designee Signature

Amber Green

Date 8-3-2026
